DONALD J. TRUMP

Wednesday Morning

Dear Fellow American,

I realize there are a handful of grassroots Republicans like you who have not yet contributed to the Trump Make America Great Again Committee.

Time is running out and I need you to reconsider. I know that not everyone agrees with me on every issue, but this election is about more than just me.

That's why I am writing to you to take one last shot at gaining your support. We urgently need your help. Please hear me out.

I know from your record of backing the Republican Party and its candidates that you believe in smaller government, low taxes, strong national security and defending the Constitution.

Are you really going to sit on the sidelines during this election and allow Crooked Hillary Clinton and the Democrats to win . . . and destroy everything you have fought and worked for as a Republican?

You have to know that if Hillary beats me, she is going to stack the federal courts, including the U.S. Supreme Court, with radical, liberal activists. The Senate will either go Democrat or Republicans will eventually cave in. You know it.

And those judges Hillary will appoint? They will uphold Barack Obama's executive orders and give Hillary the power to continue to override Congress. Have no doubt.

But it's not just the courts. Crooked Hillary has pledged to let in tens of thousands of immigrants from ISIS-controlled regions of the world. Does anyone think that this "politically correct" policy would not allow Islamic extremists to slip in and bring terrorism to our malls, our theaters, our playgrounds, our schools, our sporting events and our streets? Are you willing to take that risk?

I want you to think about the stakes and please reconsider your decision to not support the Trump Make America Great Again Committee.

I've taken a lot of hits from the sleazy media. They've twisted my words over and over again. But even after Crooked Hillary and her allies have spent over \$100 million on ads attacking me, we are dead even – or LEADING in most polls.

I can win. And you should not doubt for a second that I will put the best interests of America first when I am president.

(Over, please)

1800-TRUMP-2017

I will appoint conservative judges. I will cut taxes and federal red-tape to get the economy growing. I will end ObamaCare. I will use extreme vetting to block radical Islamic terrorists from getting into our country. And I will build a wall to stop illegal immigration and make Mexico pay for it.

Remember, Republican control of BOTH chambers of Congress has not given us any of this, and it won't, as long as there is a Democrat president.

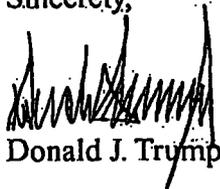

I did not have to run for president. I have a great life and a very successful business. I've also got a fantastic wife and an incredible family. But I am running because I saw where America was headed under the liberals' leadership, and I believe I can help change our course. And I need your help to win.

We are all in this together. The results of this election WILL change the course of history for our nation. We both know this is true.

So please take a moment to contemplate the future with Crooked Hillary in the White House for the next four years, then get out your checkbook or credit card and send your contribution of \$35, \$50, \$100, \$250, \$500 or \$1,000 to the Trump Make America Great Again Committee in the postage-paid envelope provided.

Don't waste another minute. Act today. Thank you in advance.

Sincerely,

Donald J. Trump

P.S. The last thing you want is to wake up the day after the election and find out that Crooked Hillary Clinton has won because our Party didn't have the resources to get out its voters. You know that Republican policies and priorities will never see the light of day if Hillary Clinton is the next president. I'll be totally blunt: **If I lose in November, we ALL lose for years to come.** This race is about America's future. Please come forward and support the Trump Make America Great Again Committee to help my campaign and our entire Republican ticket surge to victory. Thank you again for your consideration.

Dear Mr. Trump,

\$35 \$50 \$100 \$250 \$500 \$1,000 *Other: \$ _____
